

The [Private Member's Bill](#) tabled by Caroline Lucas, Green Party MP for Brighton Pavilion was due to have been debated on 1 March but for some reason was not. It is now scheduled for debate on Friday 26 April. The wording of the Bill is to "*require the Secretary of State to commission a programme of research into the merits of replacing the Council Tax and Non-domestic rates in England with an annual levy on the unimproved value of all land, including transitional arrangements; to report to Parliament within 12 months of completion of the research; and for connected purposes*"
